Subject: Request For Comment -- Encana Letter To EPA

(See attached file: Encana Letter To EPA.pdf)

Hi Julia,

I'm working on an article about a letter that Encana Corp. sent to the EPA earlier this month seeking additional information about potential water contamination at the company's drilling sites in Pavillion, Wyo. The letter is attached. Would the EPA be interested in providing any comment or reaction to the letter? Thanks,

Sean McLernon
